

## **New Mid-Week Open Medal & Stableford Competitions**

The Club will be introducing two new monthly competitions from July 2008. These will be the Midweek Open Stableford and the Midweek Open Medal.

These competitions will be open to ALL golfing categories of membership (i.e. Men, Ladies, Seniors and Juniors) and the entry fee will be £3. The existing Men's Midweek Medal and Stableford competitions will continue as usual but these new 'Open' Medal and Stableford competitions will take the other available Wednesdays. Dates for these will be found on our website "Diary" page and on the M&H notice board.

Men, Seniors, Ladies and Juniors will play off their respective tees, pars and course SSS. Vouchers for the pro-shop will be awarded as prizes and determined by the number of entries. This will give couples the opportunity to play competitive golf together and parents the chance to encourage their children into competitions. Hopefully we will get to the point where whole families can play together in the same competition. It will also give the male members who usually play in the mid-week competitions another chance to play competitive golf if the weather is poor on their set day.

Tee times should be booked in the Pro-shop. We will reserve two roll-up tee times for these new competitions, one at 11.00a.m. and the other at 3.00p.m. for members who do not have playing partners. These will be displayed on the website "Diary" page and on the Pro-Shop start sheet. This is a good way to make new golfing friends and a helpful addition for new members who do not already know people in the Club.

We hope you will support and enjoy these new 'Mid-week Open Competitions'.
